## Seeking a New Registrant to join our team in 2025

Madawaska Valley Midwives is seeking a new registrant to join our rural/remote practice.

- Start date as early as September 2025
- Offering 8 weeks of holidays and regular off-call time
- Strong focus on work/life balance
- Commitment to fostering a supportive & respectful working environment

### Practice Details

- Classified as Rural/Remote Practice, celebrating our 20th year
- Work in hybrid model
- Privileges at Pembroke Regional Hospital – collegial relationship with OB's, working in full scope.
- Accuro EMR and excellent admin support
- 2 unique clinic sites. Petawawa (75% client base) and Killaloe (25% of client base).
- Homebirth rate ranges from 30-40%, with a high water birth rate

### Rural Midwifery Life

- Our vast catchment area is bordered by Algonquin Park to the west and the Ottawa River to the east
- NRs can expect a lot of driving in all weather conditions – being comfortable with rural roads & winter driving is a must
- Offers opportunity to consolidate your rural midwifery skills alongside experienced midwives
- Renfrew County is a beautiful rolling countryside with many lakes, rivers and forests, full of excellent opportunities for hiking, skiing, biking, paddling, camping and exploring. It is also home to vibrant and active arts and entertainment communities, including bustling farmer's markets.
