

# **INTERESTED IN MIDWIFERY WITH A TWIST?**

**Madawaska Valley Midwives are working towards integrating a regular period of off call, non-intrapartum work into our roster rotation.**

## **OUR VISION:**

Six months off call, providing pre- and postnatal care in a family health team setting following 18-24 months of full-scope midwifery in a shared care call model.

## **ABOUT US:**

Madawaska Valley Midwives are a rural Ontario practice with 20+ years experience and two unique clinic locations in Petawawa & Killaloe.

We serve a diverse range of families, with a home birth rate of ~35%.
