General Registrant Position

Midwifery Group of Ottawa is a large, long-established practice (1994) with a General Registrant permanent position available immediately. We are flexible with start dates and will work to accommodate the right candidates.

Our practice is committed to providing an atmosphere of mutual respect and opportunity. We are looking for candidates who are bi-lingual or committed to learning to work in French through the Montfort Hospital's French immersion program. Successful candidate(s) will integrate smoothly into our team, have a strong work ethic, and excellent clinical and communication skills.

Midwifery Group of Ottawa serves a multi-cultural population in the nation's capital. Locum hospital privileges with French immersion classes are available at the Montfort Hospital, Ottawa's only Francophone hospital. We work in full-scope and have a collegial relationship with the OB staff. We also work at the Ottawa Birth and Wellness Centre, and successful candidates will be required to obtain birth center privileges.

La région de la capitale nationale regorge d'activités à pratiquer hiver comme été. Entre autres, vous pourrez patiner sur la plus longue patinoire au monde ainsi que pratiquer la randonnée, le vélo ou le ski de fond dans le Parc de la Gatineau. La culture musicale et théâtrale est vibrante tout au long de l'année.
