The Midwifery Group of Ottawa is a large, long-established (1994) practice with a **full-time GR position** available immediately. Our practice is committed to providing an atmosphere of mutual respect and opportunity. We are looking for candidates who work well as part of a team, who have a strong work ethic and excellent clinical and communication skills. Some understanding of French is required, with a willingness to explore increasing language proficiency over time.

Our practice serves a multi-cultural bilingual population in the nation's capital. Hospital privileges are available at the Montfort Hospital, Ottawa's only Francophone hospital and recipient of the AOM's Hospital Integration Award. We work in full-scope and have a collegial relationship with the OB staff. We also work at the Ottawa Birth and Wellness Centre, and successful candidates will be required to obtain birth centre privileges. MGO is a teaching practice and you will, at times, work with midwifery students as well as students from other disciplines. Nous vous invitons à vous joindre à notre communauté vibrante de sage-femmes passionnées!

Please email your resumé to admin@midwiferygroupofottawa.com or send by fax to the number listed above.
