

Midwives Grey Bruce

Is Seeking 2 General Registrants

$\frac{3}{4}$ - Full time positions beginning in April 2019

Enjoy work/life balance with flexibility and plenty of time off!

We have approved caseload! Call us for an interview!

Midwives Grey Bruce is a dynamic and busy rural practice covering a large, beautiful catchment area. We are a practice of 11 midwives and are seeking 2 General Registrants interested in providing care to a diverse clientele with a high home birth and low epidural rate!

Our main clinic is in Owen Sound, a charming lake-side community with good restaurants and a vibrant arts scene. We also have a second clinic site in Walkerton to support our clients in the southern part of our catchment area.

Popular destinations, such as the Bruce Peninsula National Park, the Bruce Trail and Sauble Beach are within our catchment area providing plenty of access to outdoor activities such as swimming, paddling, hiking and skiing.

As a practice, we are committed to supporting midwives in achieving work-life balance. As such, midwives at MGB work within a small team, shared care model. There is flexibility within teams to arrange desired caseload and time away.

We hold privileges (no issues with capping RMs!) at three area hospitals: Grey Bruce Health Services Owen Sound (Level 2), South Bruce Grey Health Centre Walkerton (Level 1) and Hanover District Hospital (Level 1) At present epidural management and inductions require a transfer of care to our excellent Obstetric Team or Family Physicians at our local sites with change coming to full scope in the near future.

To apply, please fax or email your cover letter and CV to us.

265 8th St E, Owen Sound, ON N4K 1L2
