

## Midwives of Muskoka

We are accepting applications for a  
GENERAL REGISTRANT LOCUM POSITION  
May 1 2021 – April 30 2022

We are a practice of 6 midwives, currently looking for a locum to fill a one year absence. We enjoy excellent relationships with our local healthcare teams and consultants. With a central clinic in Bracebridge, we serve a mixed urban and rural population throughout the District of Muskoka and North Simcoe County. Our home birth rate ranges between 30 and 50%.

Our midwives work in a primary care model within a supportive midwifery and administrative environment, and a strong group of resident advocates.

Muskoka is legendary for its natural beauty, all-season activities and welcoming residents. You will love living and practicing here!

Full scope experience is beneficial.

Please send your letter of interest and resume to:
