

## We are currently recruiting

---

The Midwives of Chatham-Kent are recruiting one full-time New Registrant Midwife to join our thriving practice of 6 midwives for a start date of November 2023. We'd love to invite you to meet us!

The Midwives of Chatham-Kent is a busy practice with the honour of providing services to clients in our beautiful Southwestern Ontario community. We are searching for someone who is dedicated to being a part of our team and cultivating a positive work environment, with solid communication skills and a passion for providing care in smaller communities. All midwives hold privileges at Chatham Kent Health Alliance, a level 2b hospital. We practice full scope midwifery, including epidurals and administering oxytocin on our own orders. Our practice enjoys solid working relationships with nursing, family physicians, OB's and paediatricians. The obstetrician and anaesthesia staff at CKHA are available 24/7 and are on-call out of hospital.

We thrive to create a call system that meet each midwives' preferences. As such, we offer both primary and shared care option, and provide each midwife with extra personal time to be used at her discretion. We offer full-time administrative support, free on-site clinic parking, and a dedicated mentor for our new registrant. We are proud of the strong and supportive work culture we have created for our clinic and proud of the healthy relationships we have built together over the years.

Chatham-Kent is situated between London and Windsor with close access to the 401 and is a truly wonderful place to live with an affordable housing market. Driving through our catchment area, you will be met with views of lush fields and farmhouses, quaint towns and villages, attractive waterfront communities and medium-sized urban centres. As we have a mix of urban and rural clients, there is a moderate amount of driving for home visits.

### **Candidates need to be:**

- New registrant, legally able to work in Ontario
- Fully vaccinated
- Licensed to drive in Ontario and have a personal vehicle
- Registered and in good standing with, the CMO and AOM
- Possess strong written and oral English communication skills
- Experience in providing care to diverse populations
- Highly responsible, independent and able to be on call.

Please note, this position is conditional on privileging and credentials. Interested applicants can forward their CV and letter of interest by email with "NR position" as the subject line. We look forward to hearing from you!
