

Midwives of Georgian Bay (Parry Sound)

Seeking month-long locum for fall/winter 2023

Midwives of Georgian Bay is seeking a locum midwife for 32 days in fall/winter 2023. There is the possibility of a longer locum funded by the practice.

We are a small practice with full-scope privileges at West Parry Sound Health Centre (Level I) and restricted privileges (oxytocin) at Orillia Soldiers Memorial Hospital (Level II). Our practice has been serving Parry Sound and the surrounding communities since late 2013, and is well-integrated into our community, with good inter-professional relationships at both hospitals. We work with nurses to provide back-up at WPSHC and second attendants at home births. We also have medical directives at WPSHC to enable us to have an expanded scope of lab tests and medication prescribing authority.

We are located on Anishinabek and Robinson-Huron treaty territory. Our catchment area includes five First Nations' communities: Wasauksing, Moose Deer Point, Shawanaga, Magnetawan, and Henvey Inlet. We provide care for clients who live up to one hour's drive north, east, and south of Parry Sound. We are strongly committed to providing culturally sensitive, quality care that is grounded in compassion, informed choice and continuity of care. Sometimes the care we provide can be logistically and clinically challenging. We have a home birth rate of 12-20%.

We have administrative support 2.5 days/week. We use Accuro EMR in our clinic.

This area is a UNESCO Biosphere, Georgian Bay Mniidoo Gamii Biosphere, with a strong arts community and a wealth of summer and winter recreational activities.

Please email your letter of application and CV to admin@mogb.ca or call us for a chat if you are interested but have questions. All applicants will receive a response by email or phone. Thank you for your interest.
