

## 2023 Six Month Leave Coverage Leave

**Midwives of Mississauga** is seeking a locum for a six-month leave. We work in a shared-care model in which teams of 3 RMs share 102 clients, with varying caseload among the midwives within the team. The standard schedule is a 9-week cycle, rotating 6 weeks of call and clinic weekly, with a 4-day weekend every second week followed by 3 weeks of vacation. [ie. clinic/on call/clinic/on call/clinic/on call/vacation-vacation-vacation]. The caseload for this position will be 18 BCC with the successful candidate starting into our schedule on June 1, 2023 and completing their contract on November 30, 2023. The leave would cover six months of a 36 BCC midwife's schedule which should mean the locum will have 8-9 weeks of vacation, 8-9 weeks of clinic and 8-9 weeks on call during the duration of the contract. Ideally between May 15, 2023 and May 31, 2023, we would hope the successful applicant would be available to do one to two clinic days to meet team clients, and two 12 h hospital orientation shifts (all dates open to negotiation). This will permit time for orientation and hospital training before starting in the schedule. The successful candidate will be assigned a mentor for the duration of their contract to support them through orientation and on boarding.

We serve a diverse group of clients in a full scope setting. We are in the GTA, 30 minutes west of Toronto. We hold privileges at Trillium Health Partners, which includes both the Mississauga and Credit Valley Hospitals. We are committed to excellent working relationships amongst our team and other health care professionals. We believe in serving client and community needs, work-life integration, fiscal responsibility, transparency and job security, as well as, respectful collaboration with all team members.

We value the variety of ways in which midwives identify themselves and strive to be reflective of our clients and our diverse and multicultural community. We strongly welcome and encourage midwives who identify as IBPOC to apply. The successful candidate will be a team player, have strong communication skills and a willingness to learn. Experience with full scope is an asset.

We invite resumes to be submitted by Wednesday February 1, 2023. Only successful candidates will be contacted interviews. Interviews to be held virtually on Monday, February 6, 2023.

Please fax CV's to 1-855-275-6455 or email: [info@midwivesofmississauga.ca](mailto:info@midwivesofmississauga.ca).
