

MIDWIVES OF YORK REGION SEEKS A NEW REGISTRANT

A position is available for a new registrant starting in 2023. The new midwife will be joining a team of 2 or 3 midwives.

We are a group of 9 midwives with MEP and IMPP routes of entry and work in teams, in a shared call model with flexible caseload. We are supportive of one another and try to work collaboratively. We are committed to promoting a positive work life balance for all our midwives.

Our catchment area is York Region, extending from Lake Simcoe in the north to Elgin Mills Road in the south, Highway 27 in the west to Highway 48 in the east. This area is comprised of urban, suburban and rural communities with a growing multi-cultural population. We have a spacious midwifery clinic in Aurora. We use ACCURO EMR. We also have wonderful helpful office staff. Most months we have a waiting list of families seeking midwifery care.

Our hospital privileges are at Southlake Regional Health Centre in Newmarket. We are a well-established practice with good hospital relationships. We work in full scope with epidural analgesia and oxytocin augmentation /induction certification. An interest in working collaboratively and desire to contribute positively to interprofessional relationships is essential.

We are seeking an energetic midwife who is keen to share in both clinical and administrative duties. Our midwives are active participants on various hospital committees, community health organizations and participate in ongoing community outreach. A sense of humour is welcome!

BIPOC and LGBTQ new registrants are encouraged to apply. Please send a letter of introduction and resume to Kristine Reynolds by e-mail to yrmidwives@gmail.com
