General Registrant Job Share Position

Mountain Midwifery Care is a new practice in Hamilton as of approval in September 2016. We are a group of 7 experienced, full-scope midwives, well-integrated within the community and holding privileges at St. Joseph's Healthcare Hamilton and Hamilton Health Sciences. We are committed to compassionate, high quality, evidence-based midwifery care, and a progressive business practice of equal partnership. We work in a shared-care model of a week on call (births and visits only) and a week off call (clinic and 4-day weekend).

We are seeking a General Registrant who wishes to work full-time for 6 months, and have 6 months off to pursue other interests, paired with one of our midwives seeking the same. The successful candidate will be guaranteed 20 BCC's per year for 2 fiscal years (2018-20).

As our new General Registrant, you are a hardworking team player with a positive outlook. You will be committed to providing compassionate client/person-centred care, have full-scope experience, and excellent skills in communication and interprofessional collaboration.

In the first year, you will be working:

July 11/18-January 9/19, with holidays currently booked (2 weeks spanning August/September, 1 week in October, and 1 week at the end of December).

You will be off:

January 10/19-July 10/19

Together, we will determine mutually agreeable dates for the second year.

Please:

Email your Cover Letter and Curriculum Vitae (with 3 references) to tonya.macdonald@mountainmidwiferycare.com and use “GRJS 2018-20” in the subject line. Closing date is Nov.1/17.
