

Mountain Midwives in the Kootenays is looking!

This practice has been a solo practice with assistance from locums for 10 years. We deliver between 4-10 deliveries per month. We are a level 2 hospital at the Kootenay Boundary Regional Hospital in Trail. A small percentage of our deliveries are homebirths. Our office has all the amenities immediately available when needed. The starting date is very flexible...

If you are interested in working in a busy practice with plenty of time off & work/life balance with play time in the mountains with snow, trails & lakes...Top notch xc & downhill skiing & snowboarding are literally a 5-minute drive. Hiking & biking trails are a 5-minute walk. Plenty of outdoor exploring-this Kootenay area is all about outdoor experiences. Work-life balance!
