

RIVERDALE COMMUNITY MIDWIVES NEW REGISTRANT JOB POSTING

START DATE: June 1st, 2026
CASELOAD: 38-40 BCCs

Riverdale Community Midwives is a practice set in a thriving, bustling clinic with a long-standing dedication to the neighbourhood and **community**.

We are currently a team of 11 midwives who have a strong commitment to our practice, to each other, and to the constant endeavour of achieving continuity of care all while maintaining **healthy work-life balance**.

We are a **Primary Care** practice and have full scope at St. Michael's Hospital (SMH). We also frequently work out of the Toronto Birth Centre and attend many home births.

As a group, we pride ourselves in trying to create a warm and nurturing work environment where **peer support and mentorship** are primordial.

A start date of June 1st, 2026 allows the New Registrant ample time for the completion of their SMH Hospital Orientation (through backup births) as well as time to become familiar and comfortable with their clinic schedule and client assignments.

Applicants will be contacted in mid-March regarding interviews (to be conducted mid-April)
