

2 New Registrant Positions

Position:

Our practice is seeking 2 New Registrants to join our team. The position will be for a 1-year contract with the possibility of an ongoing contract and partnership thereafter.

The positions would ideally start in the summer of 2024, but this start date can be flexible.

Currently we work in shared care models of 2 and 3 midwives, with a generous amount of off call time given. We are open to discussing all types of models and caseload for interested candidates.

Mentorship and supervision/support is provided.

Practice:

Our new office is in Brampton, Ontario. We have excellent support staff and work using an EMR. We provide care within a diverse catchment area and seek individuals eager to provide unique, client centered care.

Hospital:

We currently hold privileges at Brampton Civic Hospital (level 2+) where we provide full scope (epidural and oxytocin).

Home Birth:

Currently we have a 15-20% home birth rate.

We encourage applicants from all backgrounds, identities and communities.

Please send your CV to partners@mobhh.ca with "new registrant" in the subject line. We will arrange interviews around on call schedules via teams/zoom.
