

New Life Midwives is seeking a General or New Registrant Midwife

-flexible start date, early 2018

Who are we?

- Established in 2010, New Life Midwives is a busy practice of 7 midwives
- Excellent working relationships with 2 hospitals where we are supported to work to our full scope

Who are our clients?

- We serve a diverse group of women and families in a semi-urban area including parts of Eastern Durham Region and Northumberland County
- We prioritize midwifery care for underserved groups of women with a specific focus on young women and families

Where do we have privileges?

- Northumberland Hills Hospital (Level 1)
- Lakeridge Health Oshawa (Level 2)

The position

- Start date in early 2018
- Full time, primary care with the potential to move in to a shared care team as the practice expands
- One year contract with the expectation of a long-term position for the right candidate

A successful candidate will...

- Be an energetic team player
- Be reliable and self-motivated
- Have strong communication skills and a great sense of humour
- Experience with oxytocin and epidurals is an asset

If interested, please email resume to : Taryn Woolsey (Practice Partner) at info@newlifemidwives.com or fax resume to (905)419-3272
