

## **New Registrant Position**

Kitchener Waterloo Midwifery Associates (KWMA) is accepting applications for a **New Registrant**, commencing April 2019.

We are a practice of 8 midwives who provide primary care and work in two teams. Our co-operative team environment allows us 2 day weekends off every weekend, as well as 3 months vacation time in a 13 month period.

Our privileges at Grand River Hospital include epidurals Our practice encourages on-going education and development opportunities by providing off- call time.

KWMA adheres to consensus for clinical practice decision making. We would welcome any midwife who demonstrates the professional work ethics of accountability, effective time management and respect for the principles of Ontario Midwifery and the personal ethics of loyalty, flexibility and understanding.

Kitchener Waterloo is a vibrant region with many young families migrating for study and work. You will enjoy an essence of an urban life and proximity to plenty of opportunities for active lifestyle of a rural district. Diverse attractions such as St. Jacob's Farmers Market, Chicopee Ski and Summer Resort and Grand River Conservation Area are sure to satisfy many.
