

Orillia Midwives is seeking a General Registrant to join our practice. We are a well-established, community-rooted practice of six midwives. Four of us work in a blend of shared and primary care models, and two provide early pregnancy and sexual health care. We also care for all unattached well newborns born at Orillia Soldiers' Memorial Hospital, acting as MRP in-hospital and continuing care for up to six weeks post-discharge. Our strong, collaborative relationships with local obstetricians, paediatricians, nurses, and family physicians create an environment where midwives are respected, supported, and valued.

Our client population is increasingly diverse and gratifying to care for. Families here value relationship-based healthcare, making it an ideal environment for midwives who want to build meaningful relationships with their clients.

While we would prefer a start date as soon as possible, we can be flexible. We are ideally seeking someone who wishes to work full-time (40 BCC's per year) in a shared-care position but could offer a lower caseload if needed for the right fit. Additional non-BCC opportunities are available through our hospital well-baby program. We're offering a \$1,500 signing bonus, and if you'd like to "try us out," we'd be delighted to host you for a visit to meet our team and get a feel for our practice and city.

Just 90 minutes north of Toronto, Orillia is an affordable, vibrant small city surrounded by lakes, trails, and natural beauty. It offers the perfect balance of small-town warmth, community connection, and growing urban amenities- an ideal place to build both a career and a life.

If you're interested in joining us, please send your cover letter and CV to info@orilliamidwives.com. Midwives who identify as BIPOC and/or LGBTQIA+ are especially encouraged to apply. Selected candidates will be invited for an interview. We look forward to meeting you!
