

The Orillia Midwives is offering a new registrant position with a flexible start date. Funding confirmed!

Who we are:

Orillia Midwives is a practice of 6 midwives who work closely together in teams of 2 or 3. We have great working relationships with the Obstetrical and Pediatric teams at our level 2 hospital and a small catchment area. We run epidurals and (soon) oxytocin. We work a variety of call schedules.

About Orillia:

Orillia is a small city with 3 lakes and 3 provincial parks close by. We are a mix of rural and urban. There is lots of hiking, biking, swimming, boating and fishing.
