We are seeking a General Registrant!

Ottawa South Midwives is looking for a GR midwife for a minimum one year associate contract with strong possibility to lead to an ongoing permanent position for the right candidate. **We are looking for a July 2023 start date (flexible).**

Ottawa South Midwives enjoys full scope privileges (epidural and oxytocin for augment and induction) and good collegial relationships with OB colleagues at the Ottawa Hospital - Civic Campus. We are also proud to offer out of hospital birth at home, and at the beautiful Ottawa Birth and Wellness Centre. We have a 25-30% out of hospital birth rate.

Our practice serves a multi-cultural population in the nation's capital, including many newcomers to the area. Bilingualism is an asset but not required. We are seeking a midwife who values strong teamwork and has a good sense of humour. We are a group of midwives who have strong work ethic, solid clinical skills and excellent communication skills, and we seek the same in a candidate for this position. We all work together to contribute to the community via committees and expect that the successful candidate will do the same. 2SLGBTQIA+ midwives and IBPOC midwives especially encouraged to apply.

The Ottawa area is a true four-season city, with wonderful outdoor pursuits available year-round, including hiking, fishing, camping, skiing, snowshoeing and cycling. We are a short drive from Quebec with access to the beautiful Gatineau Park. While we work in a primary care model, we prioritize a healthy work-life balance so that you can enjoy your off-call time as much as possible.

Come join a great group of midwives! Please email your CV and cover letter, or questions about this position, to nicole@ottawasouthmidwives.com as soon as possible!

We thank all those who apply, however only those we wish we to interview will be contacted. Interviews will be held virtually. We look forward to working with you!
