Seeking an Awesome New Registrant - Is It You?

Ottawa South Midwives is looking for a New Registrant midwife for a one year contract. **We are looking for a July/August 2024 start date.**

Ottawa South Midwives enjoys full scope (epidural and ordering oxytocin for augment and induction) and good collegial relationships with colleagues at the Ottawa Hospital - Civic Campus. We are also proud to offer out of hospital birth at home, and at the beautiful Ottawa Birth and Wellness Centre. We have an approximately 25% out of hospital birth rate.

Our practice serves a multi-cultural population, including newcomers to the area. Bilingualism is an asset but not required. We are seeking a midwife who values strong teamwork and has a good sense of humour. We are a supportive group of midwives who have strong work ethic, solid clinical skills and excellent communication skills, and we seek the same in a candidate for this position. 2SLGBTQIA+ midwives and IBPOC midwives are especially encouraged to apply.

The Ottawa area is a four-season city on un-ceded Anishinabe Algonquin land. Wonderful outdoor pursuits are available year-round and include hiking, fishing, camping, skiing, snowshoeing and cycling. We are a short drive from Quebec with access to the beautiful Gatineau Park. While we work in a primary care model, we prioritize a healthy work-life balance so that you can enjoy your off-call time as much as possible.

Come join a great group of midwives! Please email your CV and cover letter, or questions about this position, to admin@ottawasouthmidwives.com, by **February 16th**.

We thank all those who apply, however only those selected for an interview will be contacted. Interviews will be held virtually in late February. We look forward to mentoring and working with you!
