We are Still Seeking an Awesome New Registrant!

Ottawa South Midwives is looking for a New Registrant midwife for a one year contract. **We are looking for a July/August 2025 start date but could be flexible.**

Our practice enjoys full scope and good collegial relationships with colleagues at The Ottawa Hospital - Civic Campus. We have an approximately 25% out of hospital birth rate; attending births at Ottawa Birth and Wellness Centre and home.

We serve a multi-cultural population, including newcomers to the area. Bilingualism is an asset but not required. We are seeking a midwife who values strong teamwork and has a good sense of humour. We have great work ethic, solid clinical and communication skills, and we seek the same in a candidate for this position. 2SLGBTQIA+ midwives and IBPOC midwives are especially encouraged to apply.

Ottawa is a four-season city on unceded Anishinabe Algonquin land. Wonderful outdoor pursuits are available year-round and include hiking, camping, skiing, skating, snowshoeing and cycling. We are a short drive from Quebec and the beautiful Gatineau Park. We work with a primary and shared care model, and prioritize a healthy work-life balance so that you can enjoy your off-call time as much as possible. We are also proud of our supportive sleep relief and mentorship policies.

Come join a great group of midwives! Please email your CV and cover letter, or questions about this position, to christi@ottawasouthmidwives.com, by **May 19th**.

We thank all those who apply, however only those selected for an interview will be contacted. We look forward to working with you!
