Seeking an Awesome New Registrant!

Ottawa South Midwives is looking for a New Registrant midwife for a one year contract. **We are looking for an August 2026 start date.**

Our practice enjoys full scope and good collegial relationships with colleagues at the Ottawa Hospital - Civic Campus. We are also proud to offer our attendance for home births and at the beautiful Ottawa Birth and Wellness Centre. We have an approximately 25% out of hospital birth rate.

We serve a multi-cultural population, including newcomers to the area. Bilingualism is an asset but not required. We are seeking a midwife who values strong teamwork and has a good sense of humour. We are a supportive group of midwives who have great work ethic, solid clinical and communication skills, and we seek the same in a candidate for this position. 2SLGBTQIA+ midwives and IBPOC midwives are especially encouraged to apply.

The Ottawa area is a four-season city on unceded Anishinabe Algonquin land. Wonderful outdoor pursuits are available year-round and include hiking, camping, skiing, skating, snowshoeing and cycling. We are a short drive from Quebec and the beautiful Gatineau Park. We work with a primary and shared care model, and prioritize a healthy work-life balance so that you can enjoy your off-call time as much as possible.

Come join a great group of midwives! Please email your CV and cover letter, or questions about this position, to nicole@ottawasouthmidwives.com, by **March 1st**.

We thank all those who apply, however only those selected for an interview will be contacted. Interviews will be held virtually in March. We look forward to mentoring and working with you!
