

Ottawa Valley Midwives

**Ottawa Valley Midwives is looking for a General Registrant to join our practice!**

The ideal candidate will have experience working in full scope, an enthusiasm for working with students, the ability to work in either primary or shared care models and great communication skills. We are looking for someone to start clinic in April 2023 with a caseload of EDDs starting in mid May; this timeline is negotiable. This would be a one-year contract with the strong possibility of a permanent position.

We are a well-established, thriving practice with two clinic locations. The GR would be working out of our Bells Corners location, would have a minimum of 8 weeks vacation and generous weekend time off-call. We have privileges at both a level 2 and a level 1 hospital where we practice full-scope. We also have a 20-30 percent home birth rate.

Our team is made up of midwives with a range of experience and a commitment to supporting each other. We also employ two full time support staff that keep our practice running smoothly. As midwives, we value evidence-based practice, collaboration, and a great sense of humour.

Please send your CV to [admin@ottawavalleymidwives.com](mailto:admin@ottawavalleymidwives.com) or fax it to the number below. We look forward to meeting you soon!
