Ottawa South Midwives enjoys full scope privileges (epidural and oxytocin for augment and induction) and good collegial relationships with OB colleagues at the Ottawa Hospital - Civic Campus. We are also proud to offer out of hospital birth at home, and at the beautiful Ottawa Birth and Wellness Centre. We have an approximately 25% out of hospital birth rate.

The Ottawa area is a true four-season city, with wonderful outdoor pursuits available year-round, including hiking, fishing, camping, skiing, snowshoeing and cycling. We are a short drive from Quebec with access to the beautiful Gatineau Park. While we work in a primary care model, we prioritize a healthy work-life balance so that you can enjoy your off-call time as much as possible.
