New Registrant Position

Quinte Midwives is looking for an outgoing, enthusiastic and hard working New Registrant to join our practice in October 2024.

Our team values diversity and recognizes the benefits for our practice and our clients. We are committed to creating a diverse environment and are proud to be an equal opportunity employer. All qualified applicants will receive consideration for employment. We invite and encourage members of the IBPOC and LGBTQ2S+ communities, or who have a disability, to apply.

We are a vibrant team of ten midwives working in a variety of caseload and call models that meet the personal and professional needs of each individual. We strive to be supportive, equitable, and flexible. Currently, we have privileges at Quinte Health – Belleville General, which is a level two hospital. We practice with restricted scope; we manage epidurals but transfer care for oxytocin and VBAC; we are working towards expanding our scope. We have a home birth rate of approximately 20% and serve a growing Amish community, as well as a military community in Quinte West and an active surrogate community. We use Accuro EMR and manage our own instrument processing in-house.

Our clinic is centrally located in Belleville, serving the surrounding communities with a catchment of approximately a 45-60 minute drive in each direction, including popular Prince Edward County and neighbouring Tyendinaga Mohawk Territory, where the Kenhtè:ke Midwives serve the Indigenous community. The Quinte region is a growing community with a small-town feel on the Bay of Quinte. Our catchment area hosts a number of provincial parks and conservation areas, including Sandbanks Provincial Park, several esteemed wineries and fine dining establishments, hiking trails, and popular festivals.
