Welcome New Registrants!
Congratulations on making it through the MEP! We invite you to consider a position with Quinte Midwives.

Our clinic is centrally located in Belleville, with a catchment of approximately a 45-60 minute drive in each direction. The Quinte region has a growing population, with a small-town feel on the beautiful Bay of Quinte. Enjoy Prince Edward County, an area known to be rich in arts and culture; boasting sand beaches, esteemed wineries, fine dining, hiking trails and music festivals. Join us and be a part of this thriving and vibrant community.

We are a vibrant team of midwives working in a variety of caseload and call models that meet the personal and professional needs of each individual. We strive to be supportive, equitable, and flexible! Currently, we have privileges at Quinte Health – Belleville General, which is a level two hospital. We have a home birth rate of approximately 20% and serve a growing Amish community, as well as a military base in Quinte West. We also have an active surrogate community. This position has the potential to be full-time or part-time, and is partner track for anyone who is with the practice for more than 2 years.

Only those invited for interviews will be contacted. This posting will remain up as long as the position is available.

Please call us at 613-962-3000, if you would like more information.
