

WE ARE HIRING AT RIVERDALE COMMUNITY MIDWIVES

POSITION: GENERAL REGISTRANT

DURATION: 1 YEAR WITH POSSIBILITY OF EXTENSION

We are hopeful that this position will suit a person who aspires to work in a thriving bustling clinic with a long-standing dedication to our neighbourhood and community.

We have a strong commitment to our work and the midwifery model that has brought forth strength and that has been a vehicle for creative and purposeful work.

We work out of The Toronto Birth Centre, St Michael's Hospital and attend many home births. We acknowledge that midwives face new challenges in the health systems we are part of and want to offer a position that allows for a flexible work model going forward. Our position is flexible in terms of start time - we are hiring with a start time of January through May - and this position could extend past a 1-year contract. This position can also be based on a shared care model with other midwives in the practice. A full or partial caseload can be discussed.
