

## RIVERDALE COMMUNITY MIDWIVES IN SEARCH OF A GR

TYPE OF POSITION: LOCUM

START DATE: NOVEMBER 2023 (FLEXIBLE)

END DATE: DURATION OF 1 YEAR WITH POSSIBILITY OF EXTENSION

We are a thriving urban practice located in the heart of the city, flanked by the vivid neighbourhoods of Riverside, Corktown and Regent Park. Our clinic location at 48 River Street, as well as our hospital and birth centre are easily accessible whether one resides in the eastern or western parts of Toronto.

We:

- are a team of 10 midwives
- practice within a Primary Call framework with dedicated back-up support
- have an off-schedule of every other weekend (3-day weekend)
- work diligently to ensure sufficient off-call and relief during busy days
- hold privileges at both the Toronto Birth Centre and St Michael's Hospital
- have an 35% out-of hospital birth rate (home and Toronto Birth Centre)
- have full scope including oxytocin and epidural management at St Michael's Hospital

Riverdale Community Midwives is a teaching practice committed to mentoring students. since our inception in 1994. We wish to foster community, commitment, and kindness with each other and our clients and families. We welcome applicants from the broad diverse communities that make up Toronto. We have a large Spanish speaking clientele and although Spanish (and other languages) would be an asset, it is not a requirement.

This is a position with a full-time caseload. There is some flexibility with start time and we will ensure appropriate orientation timing before complete on-call begins.

Please send your CV to: [info@riverdalemidwives.com](mailto:info@riverdalemidwives.com)

Interviews will be held in-person or virtually.

Only applicants asked for an interview will be called back.

Thank you and hope to hear from you soon!
