New Registrant Position

May 2021

Sages-Femmes Rouge Valley Midwives (SRVM) invites applications to fill an opening for a New Registrant to join our dynamic team of midwives serving Scarborough and Durham Region. The position has the possibility of progressing to a long-term role for the right candidate.

SRVM is a long-established practice located in East Scarborough. We have privileges at two hospital: Lakeridge Health Ajax and Scarborough Health Network attending mostly at the Centenary site. This range of sites encompasses a community hospital with a familiar staff of nurses and physicians, and a regional centre for obstetric care. We also strongly value homebirth.

We serve a very diverse community and have a strong link to the French community; therefore, we would appreciate knowing if you can offer care in languages other than English, and French language is a priority language for our community.

You are invited to submit your cover letter and resume as soon as possible by e-mail to heather.srvm@gmail.com or by fax to 416-286-2122. Deadline for applications: June 15th, 2021
