

Guelph Midwives is accepting applications for the position of

Locum, General Registrant

Start date: January, 2019

We are a well-established, shared-care practice, located in the vibrant and beautiful city of Guelph Ontario. Our clinic is in a hub of community services and activities in the downtown Guelph Community Health Centre. We have hospital privileges at Guelph General Hospital and Groves Memorial Community Hospital in Fergus. We strive to have a healthy, supportive work place and all of our midwives work within teams of varied caseloads and time on call.

We are seeking a locum General Registrant
to work a 50% caseload, with a strong possibility of full-time work.

This midwife will start in January 2019 (or earlier) and finish August 30, 2019
(with some possibility of extension)

Please send your letter of interest and resume to:
Email: info@guelphmidwives.com

We thank all applicants for your interest.
Only those candidates selected for an interview will be contacted.
