

Accepting Applications for an energetic and self-motivated New Registrant

Start Date: TBD 2023
Closing date: Open until filled.

Background:

- **Thames Valley Midwives** is a mixed urban-rural practice situated in a beautifully restored heritage building in Old East Village, London. Our clinic uses Accuro EMR and has two fantastic administrators/practice managers.
- **Our catchment area** is committed to providing exceptional care to a wide variety of groups, which include a surprisingly ethnically diverse population with plenty of newcomers, as well as Old Order Amish, low-German Mennonite and First Nations populations in our rural regions. We offer our clients two satellite clinics in Elgin and Oxford. We also love home birth, with around a 22% home birth rate.
- **Our hospitals** - We are a full-scope practice, which has privileges at both a Level 1 and Level 3 hospital with supportive staff at each site and our own Midwifery Department.
- Our practice provides an exceptional **mentorship** program for you to thrive and grow in a nurturing environment. You will have access to 24/7 support from your team who are experienced in ongoing teaching in your first year as a new midwife including oxytocin and epidural supervision.

Position Summary:

- We are a large group of supportive midwives looking for **full time new registrant** based on funding approval, who enjoys working within a shared care model of 2-4 midwives per team and appreciate a manageable **work/life balance** while still continuing to provide excellent **continuity of care** to our clients.. We have an excellent call schedule offering every other weekend off (3 day long weekend), no more than 3 days on-call at a time, protected clinic hours and evenings during the weekdays off, with opportunities for other models within our teams.
- Caseload will be based on start date following privilege approval.

Why move to London:

- We are **centrally located** in a mid-sized city surrounded by countryside, close to the beaches of two Great Lakes, home to the renowned Western University and Fanshawe College as well as having our own airport making travel easy to jet off down South during our snowy months.
- The city as a whole is an **active** one! It boasts many outstanding restaurants, sports and social clubs, festivals, Boler Mountain ski hill, Budweiser Gardens to catch a game or show, The Factory indoor trampolining and ziplining centre, rock climbing gyms, Storybrook gardens for children and several museums so you will never be bored!
- **Raising a family?** No problem. London has excellent public and private schools as well as fantastic neighbourhoods to raise your little ones. There are so many activities to do with your children throughout all seasons.

Requirements:

- Must be willing to drive long distances in all seasons and be committed to rural practice.
- Are you fun? Are you organized? Are you passionate and enthusiastic about your job? Can you demonstrate excellent communication skills? Are you innovative and forward thinking? Can you imagine yourself in an environment with like-minded midwives who value teamwork, supportiveness and wine?**Perfect!!** We welcome you to apply now to **Thames Valley Midwives**.
