

**Unique Part Time Position Available!
(20BCC's/year)
Accepting Applications for a General Registrant**

**Start Date: August-September 2021
Closing date: Open until filled.**

Background:

- **Thames Valley Midwives** is a mixed urban-rural practice situated in downtown London. Our clinic uses Accuro and has two fantastic administrators/practice managers.
- **Our catchment area** is committed to providing exceptional care to a wide variety of groups, which include a surprisingly ethnically diverse population in the city of London, as well as Old Order Amish, low-German Mennonite and First Nations populations in our rural regions. We offer our clients two satellite clinics in Elgin and Oxford. We also love homebirths, with 25 – 30% of our births taking place at home.
- **Our hospitals** - We are a full-scope practice, which has privileges at both a Level 1 and Level 3 hospital with supportive staff at each site with our own Midwifery Department and head midwife.

Position Summary:

- We are a large group of midwives looking for a **part time general registrant** who enjoys working within a shared care model of 2-3 midwives per team. This part time model involves working one clinic day and one 24 on call shift per week, as well as working a three day week-end (Friday evening - Monday evening) once every four weeks. The advantages of this model include steady working days, lots of time off, yet good continuity of care within the team for clients. This would ideally be a permanent position.
- We are a supportive group of midwives striving to create a manageable **work/life balance** while still continuing to provide excellent **continuity of care** to our clients.

Why move to London:

- We are **centrally located** in a mid sized city surrounded by countryside, close to the beaches of two Great Lakes, within a short driving distance of ski hills, home to the renowned Western University and Fanshawe College as well as having our own airport offering excellent deals to the South during our snowy months.
- The city as a whole is an **active** one! It boasts many outstanding restaurants, sports and social clubs, festivals, Boler Mountain ski hill, Budweiser Gardens to catch a game or show, The Factory indoor trampolining and ziplining centre, rock climbing gyms, storybrook gardens for children and several museums so you will never be bored!
- **Raising a family?** No problem. London has excellent public and private schools as well as fantastic neighbourhoods to raise your little ones. There are so many activities to do with your children throughout all seasons.

Requirements:

- Are you fun? Are you organized? Are you passionate and enthusiastic about your job? Are you innovative and forward thinking? Can you imagine yourself in an environment with like-minded midwives who value teamwork, supportiveness and wine?**Perfect!!** We welcome you to apply now to **Thames Valley Midwives**.
