**General Registrant
Full time, immediate start until Sept 2022 or
March 2023**

The Hamilton Midwives is looking for a General Registrant to cover a leave. Full scope and ease with e-documentation are essential skills for our team. Arabic is highly valued.

Our hospital is St Joseph's Healthcare and we enjoy excellent interprofessional relationships within the community. We are a predominantly urban practice, but we cover several outlying suburbs and villages in our very manageable catchment area. Teamwork and supporting each other are core values. Our primary care and shared care models provide adequate off call time and we have a generous sleep relief policy. We offer orientation and support to get up to speed in the community.

We have a new office with a comfortable staff area for admin work, collaboration, and socializing. Strict Covid-19 safety protocols are currently in effect but we look forward to getting together in person again.

Hamilton benefits from close proximity and excellent transportation links to both the Toronto and Buffalo-Niagara areas. Hamilton has a vibrant cultural and arts scene, scores of excellent restaurants and many green spaces.

We are only able to consider candidates who practice full scope. Our office uses Accuro EMR and our hospital uses Epic Stork. Experience with these systems is ideal but computer literacy is a must. Cell phone and laptop must be provided by the midwife, EMR and cell phone costs are covered by the practice. We look forward to hearing from you.

Please send your CV along with a covering letter to:
