

The Midwives of Brant are looking to hire a general registrant to join our practice. We are offering a full time position to midwives interested in settling in Brantford and contributing to the growth of midwifery in our area.

We have a 30-40% home birth rate with privileges at Brantford General Hospital where we have full scope for epidurals and oxytocin. We have great working relationships within the practice and are looking for a positive person to join our friendly and supportive team. We are looking for someone who would be interested in working in a shared care model with two weeks on-call and two weeks off-call.

Brantford itself offers the quieter pace of a small city coupled with close access to Toronto, London, Guelph, and Kitchener-Waterloo; as we are in the heart of Southern Ontario. Excellent biking and nature trails, a new University and College satellite campuses are just some of the benefits that make Brantford a great place to live.

Interested midwives should forward their resumes to:
