

New Registrant Position

Trillium Midwives is looking for a new registrant to join our practice.

We serve diverse communities in the north of Scarborough and York region.

We have privilege at Toronto Birth Centre (TBC) and have full-scope privileges at Scarborough Health Network (SHN), General site and Centenary site. We enjoy and treasure great working relationship with our colleagues, staff, SHN and TBC.

We have primary and shared care models. We are a great supportive group for your professional career and balance of life.

You are expected to be committed to providing compassionate client/person-centred care, have good skills in communication and interprofessional collaboration, and are a good team player. You are also dedication to the promotion of out-of-hospital births including home births and Toronto Birth Center births. Speaking a second language will be a great asset.

Please send your CV and letter of introduction to Trillium Midwives at info@trilliummidwives.ca

Thank you very much for your interest. Only those selected for an interview will be contacted.
