

NOW HIRING: NEW REGISTRANT

We have NR Funding!

Are you ready to start your midwifery career in a practice where you are **valued, supported, and mentored** every step of the way? Wind Rose Midwifery Inc. is excited to invite a **New Registrant** to join our thriving clinic in Kilworth, Ontario with a catchment area of London-Middlesex.

About Wind Rose

Wind Rose Midwifery Inc., formerly Talbot Creek Midwives, has proudly provided full-scope midwifery care since 2006. Our clinic is home to a **growing team of 9 passionate midwives** serving a diverse and expanding population.

We offer comprehensive care through all stages of pregnancy, birth, and postpartum, including both **home** and **hospital** births. With privileges at **London Health Sciences Centre (LHSC)**, we enjoy strong collaborative relationships with our nursing and obstetrical colleagues, and work within a forward-thinking hospital environment that supports midwifery integration and professional development.

Life In London & Kilworth

Live and work in a vibrant, mid-sized city that offers the perfect blend of community feel and urban convenience. The London/Kilworth area is growing rapidly and has a high demand for midwifery care. Why you'll love it here:

- Surrounded by nature with nearby parks, rivers, and conservation areas
- Rich cultural life with festivals, live music, art, and theatre
- Excellent restaurants, cafés, and independent shops
- Quick access to Highways 401 and 402 for easy weekend escapes, or travelling to visit loved ones

Who We're Looking For

- A new registrant with the College of Midwives of Ontario (or eligible)
- Committed to inclusive, client-centered care
- A compassionate communicator and team collaborator
- Excited about hospital and home birth experiences
- Looking for a team-focused clinic that respects your life outside of work

NOW HIRING: NEW
REGISTRANT
