APPLICATIONS NOW BEING ACCEPTED

A GENERAL REGISTANT POSITION FOR GENTLE BEGINNINGS MIDWIFERY

Gentle Beginnings midwifery is a practice which opened in January 2003. We are a semi-urban, rural practice that serves a diverse community. Our servicing area includes Stormont, Dundas, Glengarry and part of Prescott-Russell townships. The practice has four clinic sites located in Cornwall, Winchester, Embrun and Greely. Currently the midwives of the practice have privileges at the Winchester Memorial Hospital and the Cornwall Community Hospital.

The practice is looking for a general registrant who is able to join us starting in the Fall of 2019. Off time and holidays will also be established.

We are looking for a general registrant who has an interest in working with a diverse clientele, who is dynamic, enthusiastic, organized and has a good sense of humor. This is a great opportunity for a general registrant who is eager to participate in a growing practice.

Please send your resume with a letter of introduction by email or fax as soon as possible. Only the applicants being interviewed will be contacted. Thank you in advance for applying.
